

Office Memorandum • UNITED STATES GOVERNMENT

TO : Office of the General Counsel

FROM : Assistant Director, Reports and Estimates

SUBJECT: Legislation affecting clandestine air operations

DATE: 23 February 1949

Office of Reports and Estimates would like to be informed of all pending legislation and new legislative proposals which contain provisions that might improve governmental control over clandestine air operations on the part of individuals or concerns using US registered aircraft at home or abroad. Attached hereto is a list of material of this nature at present available to this office. It is hoped that your office will be able to assist in this matter.
